2 GUIDELINES

The objective of this assignment is to write an analysis of your preferred topic on human rights.

Choose a topic from those covered in class (past or future) and write a 2-3 pages essay analyzing it.

Make sure to write a clear analysis introducing, contextualizing and explaining the topic.

Use at least 1 (one) historical example in which the topic can be applied as a discussion point.

Remember that, a good analysis requires research, and that research requires citations and referencing. include at least 3 (three) academic sources (journal articles or books) not listed on the syllabus.
